RETAIL PRICE LIST
of
**The Coe, Converse
& Edwards Co.**

Nurserymen

On Highway 12, at
Southern City Limits

Fort Atkinson,

Wisconsin

TERMS

The Prices in this list are for goods delivered at the purchaser's nearest railroad station all charges prepaid, except by special agreement, and any such agreement must be duly entered on the order.

Cash on Delivery.

We Pack Carefully and agree to replace free any stock that fails to reach the customer in good, healthy condition if notified immediately on arrival of such stock. We further agree, should any tree or plant sold by us prove untrue to name, that we will replace same free of charge or return purchase price. It is mutually agreed between the purchaser and ourselves that we are not to be held liable for a greater sum than was originally paid for stock.

Freedom From Disease.—Our Nursery is inspected each year and we hold a certificate showing our stock to be free from injurious insect pests, a copy of which accompanies each shipment.

Parcel Post, C. O. D.

Many small orders can be sent direct in this way, if the purchaser so desires. Orders to be sent Parcel Post, C. O. D., must amount to at least \$2.00.

Retail Price List of The Coe, Converse & Edwards Co.

NURSEYRMEN

Fort Atkinson, Wisconsin

STRAWBERRIES

"Do not sell Strawberry Plants for Fall Delivery."

Our Strawberry plants are all freshly dug at time of shipment. Varieties marked (Per) have perfect blossom and will fruit when planted alone. Those marked (Imp) have imperfect flowers and will not fruit when planted alone, but must have some of the perfect flowering sort planted with them—one-third to one-half is about the proportion.

Do not sell less than 25 plants of one variety.

Per 50	Per 100	Per 250	Per 1000
\$1.25	\$2.00	\$4.00	\$12.00

500 plants of one variety sold at 1000 rates.

Varieties

Blakemore (Per)	Fairfax (Per)
Catskill (Per)	Premier (Per)
Cresco (Per)	Senator Dunlap (Per)
Dr. Burrell (Per)	Warfield (Imp.)
Dorsett (Per)	

CRESCO (PER) Try this new variety. We are sure it will please you. Berry of good size, firm, of good quality, and produced in abundance. Plant hardy and vigorous. We think highly of this variety.

Fall Bearing

Special Varieties

Per 12 \$2.25	Per 25 \$4.00	Per 50 \$7.00	Per 100 \$12.00
Indian Summer	Sodus	Taylor	

INDIAN SUMMER RASPBERRY. Recommended by the Experiment Station at Geneva, N. Y., as the best fall bearing raspberry yet introduced. Rather soft for market but fine for home use.

SODUS RASPBERRY. This is a new purple variety that is expected to take the place of Columbian. The bush is healthy, vigorous, productive and hardy. Fruit large and good quality.

TAYLOR RASPBERRY. Experts at the N. Y. Agricultural Experiment Station say Taylor is the most promising red raspberry on their grounds at the present time.

BLACKBERRIES

No order accepted for less than six plants of one variety.

Per 12, \$2.50	Per 25, \$4.00	Per 100, \$15.00

*Cortland	Milton	*Windsor	
*Dolgo (Crab)	*Prairie Spy	Winesap	
Early McIntosh	(Minn. 1007)	Yellow Delicious	
Kendall	Red Duchess		

Promising New Varieties Not Described in Our Catalog

Beacon — A new variety from Minnesota. Same season as Duchess but of better quality and a better keeper. Color deep red, fine for early market.

Kendall — Of McIntosh parentage. Fruit solid, dark red, ripen same season as McIntosh and a better keeper.

Melba — Another McIntosh seedling. Color bright crimson over pale yellow. Ripens about with Yellow Transparent, good for early market.

Prairie Spy (Minnesota No. 1007)—A new variety of great promise. Of medium size, good quality, shaped like Wealthy. Color bright red over yellow ground, a good keeper.

Dolga Crab — We list this among our flowering crabs. It also deserves a place with the fruits, as it is not only ornamental but there is nothing better for jelly.

CHERRIES

	Each	Per 12	Per 100
4 to 5½ ft. -----	\$1.50	\$16.00	\$120.00

Each

Hansen's Bush Cherry (Improved Besseyi) 3-4 ft. \$1.00

Hansen's Bush Cherry (Improved Besseyi) 2-3 ft. .75

Sweet cherries are not hardy in Wisconsin. Can furnish nice trees at \$2.00 each.

HARDY PLUMS

A number of the following varieties are the product of the Minnesota Plant Breeding farm. These are putting plum growing in this section of the country on

HARDY PLUMS (Continued)

a new basis. Most varieties of plums are shy bearers when planted alone. To get the best results they must have some variety planted with them that is a good pollenizer. The ones marked (pollenizer) are good for this purpose. One of these for every three or four trees is about the right proportion.

5 to 6 ft. ----- Each, \$1.25 Per 12, \$14.00

Varieties

Butternut	-----5-6 ft.	2.00
Butternut	-----6-8 ft.	2.50

SHADE AND ORNAMENTAL TREES

All Nursery Grown and No. 1

NOTE: To avoid any misunderstanding regarding the sizes and grades of trees, we make the following explanation: The 6 to 8 foot grade takes in trees that are 6 feet and over up to 8 feet, but does not include

SHADE AND ORNAMENTAL TREES (Continued)

the 8 foot trees. The 8 to 10 foot grade takes in those that are 8 feet and over and under 10 feet, but not the 10 foot, and so on through all grades. For example, should you wish a tree 10 feet high and $1\frac{1}{2}$ inches in diameter (or caliper) you must order the 10 to 12 foot tree; $1\frac{1}{2}$ to 2 inch, as the 8 to 10 foot grade does not include the $1\frac{1}{2}$ inch or 10 foot trees. All shade trees have been one or more times transplanted.

Ash (Fraxinus)

IRIS

25c each	3 for 60c	\$2.00 doz.	\$15.00 per 100
----------	-----------	-------------	-----------------

Is known under various names, (Fleur de Lis) (German Iris) (Liberty Iris) (Lilies). This is a very free bloomer, thrives in all soils and comes into bloom about Decoration Day and lasts for some time. The following are all distinct and choice varieties.

IRIS (Continued)

Ambassaduer, Lavender and Bronze
 Autumn King Blue, Blooms Spring and Fall
 Celeste, Light Blue
 Caprice, Rose Red
 Her Majesty, Pink
 Lent A. Williamson, Lavender and Violet
 Mad. Chereau, White edged Blue
 Parasensis, Dark Blue
 Prairie Gold, Rich Yellow
 Pumila, Low, Dark Blue, Early
 Queen Caterena, Pink Lavender, fragrant
 Rhein Nixe, White and Violet Blue
 Sherwin Wright, Golden Yellow
 Silver King, nearly white
 Walhalla, early, Blue

Iris—Special Varieties

40c each 3 for \$1.00 \$3.00 doz.

Dauntless, Red and Brown
 Don Juan, Bronze and Red
 Dr. Chas. H. Mayo, Pink
 Golden Light, Golden Orange
 Gudrun, White
 Labor, Red
 Rameses, Pink and Rose blend
 Winnishiek, Fine Dark Blue

JAPAN IRIS

	Each	Doz.	Per 100
Prices -----	.75	7.50	50.00

Blooms later in the season than the other Iris.
 Thrives best in a moist location. Assorted colors.

SIBERIAN IRIS

Prices -----	.50	5.00
--------------	-----	------

Purple, White.

PHLOX

(Strong Field Grown Plants)

BULBS AND TUBERS

All of the following must be dug in the fall before the ground freezes and be stored in a frost proof place.

DAHLIAS (Common Sorts)

SHOW		35c each	\$3.75 Doz.
Pink	Red	White	Yellow
DECORATIVE		50c each	\$5.00 Doz.
Pink	Red	White	Yellow
CACTUS		50c each	\$5.00 Doz.
Pink	Red	White	Yellow

GLADIOLUS

No Order Accepted for Less than 3 of One Variety

3 for 45c \$1.35 doz. \$2.25 per 25

Crimson	Purple
Dark Pink	Red
Light Pink	White

Mixed, No Color Specified

Per doz., \$1.00

Per 25, \$1.50

Some General Information for Agents and Customers

FOR HEDGES, SCREENS AND SHELTER BELTS

For Ornamental Hedges, *Spirea Van Houttei*, *Spirea Froebelli*, *Hydrangea Paniculata Grandiflora*, *Rosa Rugosa*, *Amoor Privet North*, *Thunbergii Barberry* and *Lonicera Morrowi*, *Cotoneaster Acutifolia* are being used quite extensively and with excellent satisfaction. For an evergreen hedge there is nothing better than *Arbor Vita* and *Norway Spruce*.

For Screens — To cut off unsightly views, etc., such shrubs as *Tatarian Honeysuckle*, *Philadelphus Grandiflora*, and *Common Lilac* work in very nicely. These will attain a height of 8 to 10 feet. Where a taller screen is desired, *Laurel-Leaf Willow*, *Chinese Elm*, *Lombardy Poplar*, and *Evergreens* may be used.

Shelter Belts — Spruces and Pines are the best for this purpose. Planted on the north and west side of buildings, they shut out the cold winter winds and make all more comfortable, to say nothing of the saving in fuel for the home and feed for the stock. By using medium sized trees for these belts, the expense is but little as compared to the benefit derived.

Season in Which Shrubs Bloom

———— MAY ————

Almonds	Hugonis Rose	Prunus Triloba
Forsythia	Japan Quince	Spirea Arguta
Honeysuckles	Lilacs	Spirea V. H.

———— JUNE ————

Cornus (Dogwood)	Philadelphus (Syringas)
Deutzia	Spirea Sorbifolia
Russian Olive	Viburnums
Rosa Rugosa	Weigela Rosea
Snowball	

———— JULY ————

Hydrangea Arbor.	Spirea A. W.	Spirea Froebelli
Spirea Billardi	Spirea C. Alba	Weigela Eva Rathke

———— AUGUST and SEPTEMBER ————

Hydrangea P. G.

THE COE, CONVERSE & EDWARDS COMPANY GUARANTEE

A free replacement will be made of any stock that is given proper planting and care, and fails to grow the first season after planting, EXCEPT EVERGREENS. Evergreens will be replaced at half price, according to guarantee on order contract.

SPECIAL INSTRUCTIONS TO OUR SALESMEN

Do not vary from the prices in this list and **sell only varieties that are listed.**

Do not make extravagant statements to obtain orders. It is always better to do more than we promise than to promise more than we can do.

Be sure all orders are dated and always leave an **Exact Duplicate** of the order as sent to us with the purchaser. The order and duplicate must agree to be legal.

Have the purchaser place his name and Post Office address in the proper place and you re-write the name very **plainly** at the bottom of the order and also sign your name as salesman.

It is very important that the **place of delivery, post office, R. F. D. or street number** is plainly written. Mistakes in any of these items often cause delay and extra expense at time of delivery.

Work your territory thoroughly, making the delivery at one point as large as possible.

Do not sell less than 6 trees or plants at dozen rates, or less than 50 at hundred rates.

Number of Trees or Plants to Set An Acre

The following table shows the number of trees or plants required to fill an acre of ground when planted at the given distances apart—in feet:

3x1½	9680
3½x2	6222
3x4	3630
3x5	2904
3x7	2074
4x2	5445
4x4	2722
4x5	2178
8x6	908
8x8	680
10x10	435
18x18	134
20x20	108
25x25	69
30x30	48

If this table does not give the distances you desire to plant, divide 43,560 the number of square feet in an acre, by the number of square feet each tree or plant will occupy.
